

# **SOMP Offline Prelims 2025 Program**

## **Offline Centre Location**

**SCO-88, first Floor  
Sec-5, MDC  
Panchkula (very near to Chandigarh)**

### Why an Offline Center for Prelims 2025

The idea behind the offline centre was to **provide an environment where the solutions can be physically and directly delivered.**

The major focus will be on **curbing one tendency of the students - Not doing despite knowing.**

**This type of tendencies lead to repeated failures.**

**This will be resolved at Chandigarh center.**

**You will be doing what you know, you must do.**

### Who should look for the offline centre?

1. The one who needs a **bigger external push** to perform to their capabilities - mainly due to Lack of **self discipline.**
- 2 . Those who misuse their freedom to act. Mainly the idea behind this is to **curb the tendency of constantly diverting** from the plan.
- 3 .Those Who are consistently **missing the cutoff by a margin** of marks or by a big margin.

### Deliverables

#### **SOMP is offering**

##### **1. The 1-1 Mentorship -**

Sometimes a candidate just needs an **extra push to clear certain Phases of the Exam** and sometimes a student needs more push to clear. This will be taken care of by **SOMP Mentors.**

**2. A well designed schedule** to clear prelims. You don't have to waste your energy in thinking about making a plan.

##### **3. Offline implementation -**

You will be **solving prelims test in our offline centre under the guidance of Mentors** Secondly, you **won't have a choice not to do the tasks. You will be asked to come to the offline centre and finish what is being asked to do.**

**4. Strategy meets** - These meets will help the students to **stay motivated** throughout their preparation journey especially during those times when students start giving up. It will be a **mix of :**

- a) One on one**
- b) Long meet**
- c) Short meet**

**And much more....**
