# SOMP Prelims Mentorship Program for CSE 2025

Through Schedule Based Iterative Methodology

For Prelims 2025, the **final lap** has begun. With roughly **90 days remaining**, a lot many students are still finding them in a fix and not being able to clearly strategize the path for the final run.

To help such aspirants in this last battle for Prelims, SOMP is launching the **Schedule Based Iterative Mentorship Program** with the following objectives

Handling Non-Academic Issues

Command on PYQs

Ensuring maximum targetied revisions

Execute meticulously in the next months

Issues Currently Faced by many aspirants

Endless procrastination – want to prepare, but can't start.

Thinking of doing 'too much', but end up doing nothing.

Facing the 'Perfection' phobia

Thinking they have too much time.

Not knowing what to do.
